## President's Message

Hello Everyone.  
Don't you just really love spring in Michigan? What a great time to enjoy flying.

This was my opening statement of last month's newsletter. Well, many of us are doing just that – enjoying flying in Michigan, but I have to hand it to Andy Millin who certainly outdid us all. By now I suspect most of you have had a chance to view his wonderfully condensed video of his flight from Allegan to Mackinaw Island. As I viewed it I had many flashbacks of flying over those same landmarks or driving along US-131 and I-75 over the years. Then in what seemed like the blink of an eye we were lined up on final approach for landing on the island. Awesome Andy!!!

Our June meeting will be held at Dan and Ginger DeVillers hangar located on Newmans Field. It's going to be Movie Night and the scheduled movie is a recently produced one titled Flying the Feathered Edge, The Bob Hoover Project. Seating, popcorn and drinks will be provided. The weather forecast looks good so flying in should be an option. Here are some parking instructions from Dan: Parking anywhere on the grass on my side (north) of the street all the way out to 1st St if need be, keep the road clear in case John Weaver wants to get out from his house southwest of mine. We can also park in my drive way and between the house and the hangar. If planes fly in, we can park one or two in my front yard and others down along
