

## President's Message

Hello fellow AV8R's

Last month's meeting was hosted in Andy's hanger where he shared his RV 9A build. Since the meeting he has been finishing up the last few things in preparation for the DAR/Fed airworthiness inspection.

It looks like fall has left us and old man winter is taking over. So, more time to get some building done. Hoping everyone has a great Thanksgiving with friends, family and loved ones.

Watch for the Chapter 221 changes for the December meeting and the January holiday dinner plans.

That's all for now, hunker down, stay warm and healthy.

Our [VMC Club monthly meeting](#) is where local pilots can network and share their knowledge and experience flying in the SW Michigan area. The meetings use real-world scenarios to engage members, and encourages a free exchange of information that improves awareness and skills. We look forward to seeing you there.
