

The CHAPTER 221 FLYER

Proudly Serving the Experimental Aircraft Association Chapter 221 in Kalamazoo, Michigan
www.EAA221.org

July 2014

President's Message

Our June meeting was held at Andy Cotyk's aircraft restoration shop with a good "crowd" in attendance. Andy hosted our meeting last year to show off his recently purchased 1946 Cessna 120. It was great to see how much progress he's made in the past 12 months and the airplane is looking great. A special thanks to Andy and his wife for hosting our meeting a showing us his project.

The July meeting will be a fly-in / drive-in at Plainwell Airport. Wednesday, July 9, 6:00 PM, we will meet at the Plainwell Airport (61D, rwys 09/27 2650' asph, rwys 01/19 2550' turf) for a potluck. This will be a joint Plainwell Pilots Association / Chapter 221 / Kalamazoo Area Aviatrix meeting. (Note: many of the PPA and Aviatrix members are also Chapter 221 members) Andy Millin volunteered to barbecue brats and Tim Popp is preparing sweet corn. We will supply paper plates, napkins and plastic eating tools (plastic silverware just didn't sound right) Bring your favorite compliment to this basic menu and we will spend the evening talking about aviation. We'll plan to eat at pretty close to 6:00 so come a little early and you might want to pack a chair so you can sit outside and critique landings.

Fly Safe,

Dave Hull

President, EAA Chapter 221
