## President's Message

Hello Everyone.

Thank goodness for the beautiful hot weather and sunshine. Great weather for open cockpit flying! One of the joys of living in Michigan is the beautiful month of May when everything changes and the trees seem to explode into the various shades of green.

Thanks to Kevin Mazer for a great presentation of his personal experiences at Sun n Fun. In addition to serving as a judge, he volunteers in many other activities there. While judging those magnificently restored aircraft he gets to see it all and he shared some interesting techniques and concerns when people spend millions of dollars restoring their priceless old airplanes. Then Kevin shared his progress on his own super homebuilt, a Fokker Triplane.

Our next meeting will be a "shop hop" visit to chapter members Brian Klenoski and Terry Brokaw's shop at the Three Rivers airport KHA1. Let's hope for nice weather so

those who can will be able to fly in.

Bob Aardema,  
EAA Chapter 221 President
