President's Message

Hello Everyone.

Thanks to all of you who showed up for the July meeting at my hangar and for all the food and other goodies!

So, AirVenture 2022 is history. It was one of the best ones I can remember in the nearly 40 years that I have been attending. Two things stood out for me. First was the amazing demonstration of our military fighters - USAF F-22, USMC F-35 and USN F-18s, performing together with beautiful precision. The second was the Blackfly! (more about that at the next meeting)

For our September 7 meeting we will continue to enjoy our nice weather and camaraderie at Newman's Field, this time at the hangar of Dan and Ginger DeVillers.

I look forward to seeing you all there.

Bob Aardema,
EAA Chapter 221 President
