

# The CHAPTER 221 FLYER

Proudly Serving the Experimental Aircraft Association Chapter 221 in Kalamazoo, Michigan  
[www.EAA221.org](http://www.EAA221.org)

February 2015

## President's Message

Hello everyone. We had about 36 folks at the annual Holiday get together at the Main St Pub in Vicksburg. The guest speaker was a WMU student, Meagan McCormick and her mother who thankfully is a computer/internet genius and set up my computer to be able to access to the internet that was part of the program. I did my preflight - Yes they had free WiFi. But it did not reach out to the room we were in. Mom used her iPhone using 4G to create a hot spot next to my laptop. Sounds easy huh? Not for everyone! The presentation was a nice review of space travel and some interesting information about what's happening now and what's in the works for the future.

There will not be any special "entertainment" this month, but there is always something interesting to take a closer look at the Zoo so just being there is entertaining. I would like to start out the year by giving members a chance to talk and bring the rest of up to date on what they have been doing. I would like to show pictures of all the "works in progress". Please assemble some (doesn't have to be a project, maybe something nice you saw at Oshkosh or in Timbuktu). Project pics would be nice though. You could either email them to me or bring a flash drive to the meeting.

Fly Safe, (if you are NOT snowed in that is)

**Bob Aardema**

President, EAA Chapter 221
