President's Message

Hello Everyone.

The Fall colors were beautiful and nice to look at but now the leaves are all gone and everything is white already!

We had an interesting November meeting at our usual place in the AirZoo and watched several fun and interesting YouTube videos. Thanks to Dan DeVillers for putting this together. We also had election of officers with three incumbents staying on and one being replaced. After serving as president for the last eight years, Bob Aardema has retired and Brian Klenowski was voted in as the new EAA Chapter 221 President. Thanks and congratulations to Brian for his willingness to serve.

I have thoroughly enjoyed my time as president and I want to express my sincere thanks to my fellow officers and chapter members for all their help and support over the years.

I look forward to seeing you all at our next meeting on Dec 7 and hope to see what you bring in, or have pictures of, etc. for our "Favorite New Tool Night"

meeting. It really doesn't have to be "New", maybe not even a "Tool". It could be a gizmo or a new way of solving an old problem. Share your discoveries and imagination with the group!

Also – Save the Date – We will have our annual Holiday Season dinner meeting on Saturday, January 14 at [Travelers Cafe and Pub, 5225 Portage Rd, Portage MI 49002](#) on the west side of the AZO airport.

Happy Holidays,
Bob Aardema, EAA Chapter 221
