President's Message

Hello Everyone. Don't you just really love spring in Michigan? What a great time to enjoy flying. I know Jim and Heather have been doing a great job of reminding everyone about our Young Eagles day this Saturday, but this is another reminder that "another aviation enthusiast" is always welcome. The more, the merrier! I will be there with the Cherokee. I know, I'd really like to show off the RV-8A, but there are times when those extra two seats are really nice. Speaking of the RV-8A, I will tell you more about it and how Dave Hull was such a great help to me in picking it up from Beaufort SC. On that note, I would like to dedicate the meeting on May 6 to bringing everyone up to speed on what everyone else is doing lately and hopefully get to know one and another a little better. If you have any pictures that tell a story bring them along or email them to me.

I wish to express my sincere thanks to Tom Aardema for the super presentation he gave us last meeting on his adventures in his bedroom ---- ah, ah simulator room and the long, interesting and exciting journey he has had with computers and aircraft simulation.

Looking forward to seeing you all on Saturday or Wednesday or both.

The parking lot/airplane ramp at the AirZoo East Campus is being repaved, so we will be in a slightly different location for Young Eagles.

It is Kalamazoo Air Zoo, North Campus, 5825 Willoughby Drive, Portage, MI 49002

Instead of taking E Milham all the way to the end, turn left on Willoughby. There will be signs. We will be inside the classroom building (no big blue canopy this year).

We'll be flying from the west side of that hangar.

See you Saturday!
