March 2015

## President's Message

Hello Everyone. Well, the weather has kept many of us on the ground for what seems like way too long. I know that Bill Walbeck and I are very anxious

for the snow to melt so we can get our currency before the end of March. Hopefully the warm weather we are supposed to get this weekend will help. We had a sparsely attended meeting last month but it turned out to very good meeting thanks to the great project updates and pictures (+ stories) we got from members Bill Wilson (RV-7) and Andy Cotyk. Thanks Bill and Andy and all the rest of you who participated.

Bob also gave a summary of 2015 GLIAC (Great Lakes International Aviation Conference) and read an email that he received from his neighbor, J. P. Des Champ who participated in the hypoxia chamber training while there. It just so happens that there is a great article in the February issue of Sport Aviation that highlights Dr. Greg Pinnell's work on setting up this program. Thanks to Dr. Pinnell.

## Next Meeting

*Unless otherwise specified, our chapter meetings are the first Wednesday of the month at 7:00 p.m. at the Airzoo Flight Center Classroom on the west side of the Kalamazoo-Battle Creek International Airport.*

One of the presentations that I attended at GLIAC was the use of iPads and other non-certified electronic devices in the cockpit given by Jim Whittles. Jim is a faculty member of WMU's College of Aviation who I have known for a long time so I asked him if he would be willing to give his presentation to our EAA chapter. He said he'd be happy to so he will be our guest speaker this Wednesday. I look forward to seeing you all again this Wednesday.

Fly Safe, (if you are NOT snowed in that is)
