July 2018

President's Message

Hello Everyone!

The grass is green and still needs mowing twice a week, the leaves are full and the pollen and tree droppings are about over. It's time to get out and enjoy our beautiful Michigan summer, if you can do it between heat spells!

There will be no meeting on Wednesday July 4 for obvious reasons. Instead you could enjoy a nice fireworks display at the Plainwell Airport. And if you are interested and able to help with that event contact Mike McCarville at mccarville@wmich.edu Our July meeting will also be at the

Plainwell Airport on the following Wednesday, July 11 at 6:00. It's our annual cookout held in along with members of the Plainwell Pilots Association. Bring a dish to pass if you like. Burgers and dogs or brats, chips and drinks will be provided by EAA Chapter 221. Let's hope for nice weather so we can fly in.

Looking forward to seeing you all there. ✈

Photos from the Roben-Hood Fly-in

The original poster is framed in the FBO in Big Rapids.

An AirCamper that was finished in 2017 flew into the KRBQ fly-in last Saturday.

The builder selected a sharp black and yellow paint scheme. He cut pieces from an old leather jacket to protect the horizontal stab and fuselage covering where the control cables exit.
