President's Message

Hello all you AV8R's

Last month's meeting started out finding out what went on at Sun N Fun. Then it was opened up to other discussions and projects.

Lots of information was exchanged and I'm sure it got the ideas planted.

Kevin shared pictures of aircraft at Sun n Fun and then the fantastic work on his Fokker Dr1. Remember he's making it as close as possible to the real deal and ya just can't buy the parts.

Summer is finally here as the tornados proving it. Hopefully everyone came through good.

Well, that's all from the Prez sez.

June Meeting

Shop Hop

Visit [Dave Lytle's hangar](#)
(hangar A15) at the
Kalamazoo airport

Wednesday June 5th
7:00 PM

Join us at the Kalamazoo Airport to see how Dave Lytle is doing with his Velocity.

Being that the airport requires badge access, we will have to follow the rules when getting into the airport. Those of you that already have a 'green badge' can go through the gate and meet at hangar A15. Those of you without a badge will meet at the [AirZoo parking lot](#) (not our regular meeting parking lot, the new building parking lot) where a badge holder will be shuttling folks in. Be sure to arrive before 7:00 so we can get the meeting started.

VMC Club Meeting

The next VMC Club meeting is on June 12th, 2024 at the [Travelers Craft BBQ and Whiskey Bar, 5225 Portage Rd, Portage, MI.](#)

Show up at 6:30 if you want to order dinner. Meeting starts at 7.

Our [VMC Club monthly meeting](#) is where local pilots can network and share their knowledge and experience flying in the SW Michigan area. The meetings use real-world scenarios to engage members, and encourages a free exchange of information that improves awareness and skills. We look forward to seeing you there.

We need you!
