President's Message

Hello fellow EAA'er!

April's meeting was held at the Air Zoo Restoration center (edit, now called the Flight Discovery Center). It was great to see old members and friends and new faces too.

After introductions we all were treated to a presentation on the F-104 Starfighter by our own Dave Hull. Dave included some background of the designer Kelly Johnson and his connections to Michigan. It was a great presentation and was enjoyed by all.

Next meeting is back at the Air Zoo.

Hope to see you all there,

Brian Klenoski
EAA Chapter 221 president

VMC Club Meeting

Next meeting is May 10th at Travelers Pub and Grill. Show up around 6:30 for dinner orders. The meeting starts at 7.

Young Eagles Rallies

We have two YE Rallies scheduled for 2023; One at Kalamazoo (KAZO) out of the Air Zoo Flight Discovery Center on **May 13th** from 9:00-12:00, and a second one at the Plainwell Municipal Airport (61D) on **June 3rd** from 9:00-12:00.

Please let Ginger DeVillers know if you can volunteer on those days for either ground support or as a pilot. Remember that you have to take the EAA [Youth protection](#) course to be a pilot. It is easy and if you need help with it just let us know. Thank you to everyone for all you do.

Chapter 221 YE Coordinator
