## Cosy Aircraft

Show and Tell by Phillip Johnson

followed by  
Fly-in fish fry at the Smiths Falls Flying Club  
and Transport Canada Seminar

### Editor's Comments

This month we have a short newsletter since there were very few contributions. Phillip Johnson gives us the President's Message.

Wayne Griese brings us a historical look at Carb Heat.

Ameet Nidmarty provides more details on the pedal plane project and continues his series called Pilot Quiz.

The For Sale section is quite long, we list hangars, several airplanes, instruments and many other items.

The flyout possibilities are growing with a lot of events events within easy flying distance.

Please take a few moments to write an article and tell our readers about your building or flying experiences.

*Yvon Mayo*

## President's Message by Phillip Johnson

Well the summer is turning out to be an odd one this year with some blistering hot days punctuated with rain and winds. Unfortunately our fly-in suffered with clouds right down to the ground and some rain to boot. We had one very late arrival, Yvon Mayo with his Cessna Cardinal as the weather cleared and we did have some taxi-in aircraft thanks to Matt Pearson, Colin McGeachy and Greg Reynolds who brought their RV7A, Nanchang, and Waco bi-plane respectively. Quite surprisingly we did have a good turn out by car and foot so interest is there come rain or shine.

Unfortunately the bad weather hit Canada Day making for a poor turnout at Rockcliffe Flying Club's breakfast. John Montgomery put on a great show for the kids at the Canada Aviation and Space Museum for Canada day. John was supported by EAA chapter members and members of his Air Cadet's Squadron.

With many of our members traveling to Oshkosh the third Saturday falls on many member's departure day and we anticipate a thin turn out. I will not be attending Oshkosh this year but will be hosting our chapter meeting at my hangar at Smiths Falls (Hangar 16 on Taxiway B.

Since my Cozy is ready (well almost) for its final inspection I will be doing a show and tell and then have everyone be an inspector for the morning. Who can find the most squawks? We hope to be doing a transponder check at the same time. On the same day (18th July) at 11:00 to 2:00 Smiths Falls Flying Club is hosting Fly-in Fish Fry. SFFC board member Matt Philp has linked up with one of Ottawa's food trucks to provide a different type of experience. Transport Canada will also be present to provide a Transport Canada Civil Aviation Safety Seminar for those of you wanting to have your log books stamped.

There has been little progress on Bruce's hangar/shelter as Bruce has had an accident and hurt his neck. It would be nice if members could rally together and support Bruce in getting his structure up safely.

This is the last reminder I am giving. You should all have updated your VNC charts either paper or electronic to cover the Ottawa area. Remember there have been significant changes in place since May 1st so if you are using old charts please get rid of them or be prepared for an unpleasant phone call from Transport Canada. If you are using EFIS or electronic charts please make sure you are up to date.

In my previous messages I had indicated Carp Airport would be providing MOGAS to those that needed it. Unfortunately Mark Braithwaite has been unsuccessful in finding a supplier of the fuel as the vendors are nervous about liability arising from possible contamination from ethanol. This comes about as the same fuel tankers are used for both fuels.

There has been little progress on the deck or the roof but we hope now to be doing some work on this in the fall when the temperature comes down. Please be prepared to support your chapter by helping out once the date for the repair has been set.

We have seen a couple of aircraft using the chapter hangar over the past few weeks for inspections and maintenance. Remember all full members are entitled to use the hangar at no cost for all your maintenance. I would like to encourage people to do this as it also provides the opportunity for other members to view aircraft from a different perspective. Please take advantage of this great facility but make sure you arrange it with John Montgomery (Operations Manager) as a conflict of usage can be very disappointing. Remember you are required to be a full member in good standing to use the hangar and the tools within the workshop.

Continued on Page 3

This year they will be building five sets of wings and donating them to chapters with the intent the chapter finishes the build as a chapter project. As a result of our success Chapter 245 will be building this project and we are looking to find interested parties to join us in the construction process. Those chapter members who are interested in the build should contact one of the executive to get onboard the team. No experience is necessary and indeed we are looking to use this project as a means to bring our members together.

Some of you may have read about our success in winning a pair of wings from EAA in Wisconsin as part of the Learn, Build, Fly programme. Last year at Airventure Zenith built the “one week wonder” which was a Zenith 750 Cruzer built entirely at Airventure 2014 in seven days.

Bill Reed was one of the supporters building the aircraft last year and indeed yours truly pulled one rivet too.

Regards to All.

*Phillip Johnson*

### Meetings and Events Schedule

18 July 2015, 10:00 AM	Meeting at the hangar of Phillip Johnson in Smiths Falls. Show and tell about Phillip's Cosy aircraft. Fly-in fish fry at the Smiths Falls Flying Club.
15 August 2015, 10:00 AM	BBQ at the Hangar with Show and Tell.
17 September 2015 07:30 PM CASM	We are back at the Canada Space and Aviation Museum Oshkosh Review
16 October 2015	Elections ans EAA Video

If anyone has suggestions or ideas for future meeting subjects, or specific speakers to recommend, please bring them up at the meeting or send an Email to the President [president@eaa245.org](mailto:president@eaa245.org)

## Pedal Plane Project

Article by Ameet Nidmarty

Well we were a bit preoccupied in getting things organized for the wonderful Fly-in breakfast we had this year. I would like to thank all the volunteers who helped make that a huge success.

The pedal plane project is coming along well and all the material has been procured. We are starting construction of the model and welcome all hands to come out and help build this pedal plane. All the plans are in the Chapter Lounge and the material is in the hangar. Even if it is just popping a rivet please do come out on Sundays and encourage fellow members that are participating.

**RV Pedal Plane**

If you have friends and family with young teenagers that are looking for a handy project to complete this summer this pedal plane project is the ideal one to get involved with. Please have interested parties get in touch with the executive and we hope to have this model ready for display soon.

In the mean time I urge all members to think of a paint scheme for the Pedal Plane and submit those ideas via email to [vice.president@eaa245.org](mailto:vice.president@eaa245.org)

*Ameet Nidmarty*  
Vice President EAA245

## Fly-Out Possibilities

Most Items Taken from the COPA Website

### July 18, Smiths Falls, ON

**(CYSH):** Fly-In Lunch, mark your calendar! Saturday the Ad Mare Seafood Truck will be at the Smiths Falls Montague Airport from 1100 to 1400hrs for a fly-in lunch. Ad Mare's famous fish and chips and fish tacos will be served. Check out the Smiths Falls Flying Club website for more information <http://www.smithsfallsflyingclub.com> or contact Matt Philp at 613-323-1874 or [mphilp82@yahoo.ca](mailto:mphilp82@yahoo.ca).

### July 19, Iroquois, ON (CNP7):

The Iroquois Flying Club's 49th Annual Fly-In Breakfast beside the beautiful St. Lawrence 08:00 to 11:30. Seaplane dock near the airport. For more information, please call 613-657-1646. July 21, Oshkosh, WI, USA: All Canada Pilots Reception from 1730 until 1930 hrs at the PRC Tent across from Hangar A. Inviting all Canadian Pilots for complimentary A&W Root Beer Floats and chance to win an iPad mini loaded with Foreflight. For more information or to double your chances of winning, please contact [copa@copanational.org](mailto:copa@copanational.org) or fax 613-236-8646.

### July 25 - 26 Haliburton

**Stanhope (CND)** Ultralight and Homebuilt Aircraft Fly In/Drive In Breakfast. 10 am - 2 pm. The spotlight will be ultralights and homebuilts, but all aircraft types are invited for a delicious breakfast hosted by the Haliburton Stanhope Airport Committee. Come celebrate summer and meet up with old friends and new. For more information contact Cam Loukes at 705-754-2611 or [cloucks@algonquinhighlands.ca](mailto:cloucks@algonquinhighlands.ca)

### August 1, Cornwall, ON

**(CYCC):** COPA Flight 59 and Cornwall Flying Club's 2015 Poker Run. Cash prizes for top three hands and each hand will be entered in a draw for an Icom IC-A6 handheld radio. Participating airports Smiths Falls, Brockville, Les Cedres, Lachute and Cornwall. From 0700 until 1300hrs. BBQ lunch 1100 until 1300hrs. Rain Date Aug 02. Download the Rules, Poster, and Sheet here. For more information, please contact Steve at 613-930-6625 or [Horsepeople@sympatico.ca](mailto:Horsepeople@sympatico.ca)

### August 9, Saint-Jean-sur-

**Richelieu, QC (YJN):** COPA Flight 160 Fly-In, International Balloon Festival site. A complimentary pass will be given to all pilots and their passengers upon landing at the St-Jean Airport YJN Quebec. In case of bad weather, the event will be canceled. For further information, please visit our website <http://apphyjn.com/> or contact Richard or Nicole Legault at [legault.nr@videotron.ca](mailto:legault.nr@videotron.ca) 450-466-8613.

### August 9, Hawkesbury, ON

**(CPG5):** COPA Flight 131/ Hawkesbury Flying Club annual BBQ and Corn Roast from 11:00 until 13:00, rain or shine! Hotdogs, corn on the cob, soft drinks and more. Fly-In or drive in, everyone welcome! We are located at a General Aviation and Ultralight friendly airport 3435 County Road 17, Hawkesbury, Ontario. Continued on page 8

## Pilot Quiz

When was the last time you took a flight review? How much do you remember from your PPL Exam? Try and answer these questions from Transport Canada and find out for yourself. If you feel you need a review with an instructor please contact [info@eaa245.org](mailto:info@eaa245.org) and we can put you in touch with an instructor.

### Answers

Answer to questions from the June Edition of Carb Heat:

- (Question 1) Option 2  
(Question 2) Option 3

*Ameet Nidmarty*  
Vice President EAA245

### Question 1

No person shall walk, drive or park a vehicle on any part of an uncontrolled aerodrome used for the movement of aircraft except in accordance with permission given by

- (1) the operator of the aerodrome.
- (2) a qualified representative of a commercial air service being operated from the aerodrome.
- (3) a Federal Peace Officer.
- (4) the aerodrome UNICOM operator.

### Question 2

No person shall fly or attempt to act as a flight crew member of an aircraft if that person

- (1) is less than 18 years of age.
- (2) has consumed alcohol or drugs 48 hours prior to take-off.
- (3) is suffering or is likely to suffer from fatigue.
- (4) is over 60 years of age.

## Fly-Out Possibilities (continued from page 7)

**August 15, Bainsville, ON (CLA6):** COPA Flight 190 and Lancaster Aero Club ABC Annual Fly-In with guest speakers, lunch available and evening BBQ. Wilderness camping available. Everyone Welcome! For more information, please contact Brian Russell at 613-347-7000 or [presflt190@gmail.com](mailto:presflt190@gmail.com)

**August 23, Embrun, ON (CPR2):** COPA Flight 132 Fly-In Drive-In Breakfast from 0800 until 1100hrs. for more information, please contact Henri Monnin at 613-764-0756.

**August 29, Camden East, ON (CCE6):** COPA Flight 109 and Kingston Ultralight Club Annual Fly-In BBQ, canteen open at noon, BBQ supper at 1700hrs. Co-ordinates are N44 19 33 W76 47 33, airport owner operator can be reached at 613-386-1971.
