To contact any of our  
executive, send email to

[contact@eaa266.org](mailto:contact@eaa266.org)

and mention in the email the  
person to whom it is directed.

Librarian:  
*Ed Hannaford*

Technical Counselor:  
*J.P. Chartrand*

Flight Advisor:  
*Graham Batty*

**Check out our website at: <http://eaa266.org>**

**A word from our Chapter President...****Mike Lustig**

Dear Members,

Just a quick note to mention that, for the first time the presentation will be recorded. The recording will take place ONLY during the time the presenter is active and NOT during the open chat. Dave will be manning the "Record" button and will notify all attending when the recording begins and ends. If you have additional privacy concerns on this subject, please address them to me before the presentation starts, ideally when you first join the meeting.

Note that it is our intention, and we are striving, to deliver as close as possible to the live meeting experience or better, and hope to eventually return to the long-topic, break, short-topic format. If you have an idea for a presentation you might do on any aviation-related topic in the 20-25 minute range, be sure to mention it to me during the open chat. First-time/low-time presenters will receive additional support and encouragement as required.

Best Regards to All and Stay Safe,

Mike Lustig  
President, EAA 266

**A word from our Editor****Richard Guevara**

A necessary reminder as we live through this pandemic is that we are on the second lap of a four lap race, and stopping now is not an option. As we adapt and try new things, last month on our online Zoom meeting, I saw many new faces. Most I were familiar with, and some were people in our business that I heard of, but never met. I was surprised to see attendance similar to our in-person meetings at John Abbott College. Clearly we are widening our circle, and I see a glimmer of hope that this new way of interacting may just work.

I know people have been building and modifying and modernizing and maintaining. If anyone has the time the to write a short article or do a short video on something, please do so and get it to the Editor or to someone on our contact sheet above. "Last Minute Winterizing" or winter flying would be timely topics.

Stay Safe,  
-The Editor
