Old Business: Bruce Beecroft asked Dale Knuth to explore getting support to honor Nellie Wilhite, and her many contributions to our community; she was born in 1892 and was the first female pilot from Sioux Falls.

New Business: It was brought up that members who were not on the board didn't come to the meeting because they thought it was strictly for board members and those who had business before the board. **That isn't true. All members are welcome to attend the business meeting and voice input if they so desire.** To that end we have decided to call it the "Member's Meeting" again and hold the meetings in the breakfast area starting at 0:800 on the third Saturday of each month. All members are welcome. Young Eagles forms have changed and Steve is waiting to get the new forms, the old forms will be destroyed. There was discussion regarding terrorist insurance offered by our insurer. Alan Amdahl made a motion to reject the terrorist insurance as offered; Ed Parkhurst seconded the motion, the motion passed. There will be a "Wings & Wheels" event at the airport. There was some discussion regarding parking but no decisions or motions were made.
