October 2017

Monthly Meeting—Thursday October 19th

Mel Asbury will be presenting information about Condition Inspections for experimental aircraft. Also, there will be a session for signing up to support the EAA Breakfast on Sunday of the Splash-In at Cedar Mills and for volunteering for the Tri-Motor visit Nov 2-5. We really need everyone's help and participation. The club has a great, unique opportunity.

Brushy Creek Fly-In and Planning Session a success!

On Oct 7, the annual Brushy Creek Fly-In occurred at Rick Simmons place. The weather was perfect and the food and friends were great. In the morning hours, the board met and has found a lot of good suggestions for the upcoming year for events. We will publish a full line of events in the next edition of the Ramp Page....Stay Tuned!

Below are some photos from the Fly In. Thanks to everyone for making it a success!
