April 2017

Monthly Meeting—Thursday April 20th

The annual tradition continues with Rick Simmons giving his annual Charts N Legends ground lesson. As a reminder, this is a precursor to the annual competition, which will be held the first Saturday in May. Meet us at the Sherman Municipal Terminal at 7 PM on Thursday April 20th and continue the tradition!

Project Visit

The first Saturday event in April 2017 was a visit to John Horn's Kitfox Project at Freedom Field (7T0) near Gainesville, Texas. John purchased a kit late last year and has been working on its assembly. He recently moved it from his garage to his hanger where he currently keeps his Sonex. There was a big crowd and it was enjoyed by many.

These hangar gatherings we've been having lately have been real winners with the club and we'll keep those up.

Regulatory Minute

The “simple” FAA flight plan form becomes obsolete on June 5th for both domestic and international VFR and IFR flight plans. You’ll need to file using the ICAO form. Instructions are located in the AIM, Section 1, Paragraph 5-1-9.

The new form can be found here: <https://www.faa.gov/forms/index.cfm/go/document.information/documentID/1027892>

Ready to Race?

The Texoma Air Race is scheduled for April 22nd. All racers big and small are invited! For more info, please go to www.sportairrace.org and go to the Texoma 100 race for details.
