**The Monthly Newsletter of the Sherman, TX EAA Chapter 323**

**April 2016**

## **Monthly Meeting, April 21, 7PM, Sherman Municipal Airport Terminal**

John Halterman will be presenting a combination of mountain flying practices and some tidbits from his return from Idaho (FYI....I'm leaving Apr 15 to Idaho and expect to return Apr 20 with my new Kitfox SLSA tailwheel). Be prepared for some thin air discussion, and don't be dense (that density altitude will get to you!)

## **Helicopter Discussion and flyout April 2<sup>nd</sup> review**

Several of the members had the opportunity to listen to Mike Rodgers and his stories and information on flying Helicopters as a dealer and cell phone tower business. Quite interesting.

Also, some members had a short flyout to Cedar Creek for lunch. A few photos are attached of the group and a future aviator! Lots of fun.

## Young Eagles Flight April 30<sup>th</sup>

On April 30<sup>th</sup> at North Texas regional, we are going to be flying Young Eagles flights, in participation with the civil air patrol. The event will start at 8:30 AM with a pilots meeting at 8 AM. We are looking for pilots and volunteers. As a reminder, we encourage you to do the online EAA Youth Protection Program. It takes 15 minutes max. Note: This will replace our first Saturday event in May.

## The Regulatory Minute

The airport/facilities directory (AF/D) has been renamed to the Chart Supplement now. It's the same green book, but with a new name.
