President's Mission Brief for Late-April 2019

Calendar of Events

Tuesday, 22 April @ 1030am: Calling for any and all who can help to come clean up the meeting room, Office area, and make sure that our spaces are ready for the Thursday morning celebrations. If you can come help clean, we would appreciate it! Bring Cleaning supplies

Thursday, 25 April @ 1030am: Official visit from local Dignitaries, John Egan, EAA Sr Chapter Manager and our own, Jacob Baldrige, who will be presented with the Ray Young \$10,000 Scholarship! Media reps will be onhand!

Thursday, 25 April @ 1300 (1pm): All are invited to Texoma Aero Club, located at North Texas Regional Airport (Hangar E2) for a cookout and "good old conversation and hanger talk" with John Egan, EAA Sr Chapter Manager. Cavanaugh Flight Museum will display some of their aircraft. (I'm told their B25 will be flying in). Come on out! It will be a great time!

Thursday, 25 April @ 1830 (630pm): All are invited to Pelican's Landing where we will again be presented with our 50th Anniversary Plaque and Ray Young Scholarship award winner! We will be ordering off of the menu and John Egan, EAA Sr Chapter Manager will be our guest speaker.

Anyone have a spare functional headset, E6B, or other training material? Please contact Adam Yavner (ayavner@yahoo.com) We have two YE student pilots in our chapter that could put them to use.

We are an awesome chapter. See you all on Tuesday, April 22nd at 1030am!
Blue Skies! Mike

[Texoma Aero Club Directions:](#)

US82 to 1417N. Turn Left at Grayson Dr (FM691). Veer to right on King Dr. At yield sign, Turn Right (N) onto Airport dr. Turn Left at ANY of the gates leading to the taxiway, most notably Don Ort rd. (Civil Air Patrol building is located here). Code is 1001 to gain entry. TAC hangar, E2, is the second hangar to the North once entering the Taxiway/Right of Way at Don Ort rd.

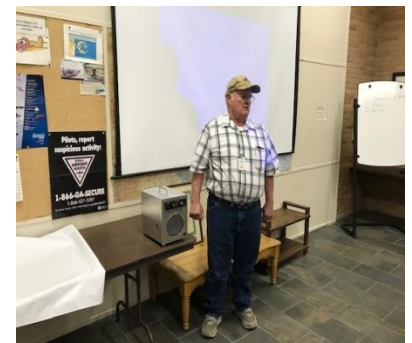

Full Size blown up map at the end of this newsletter!

[Fun Places to Fly](#)

This resource (https://www.funplacestofly.com/fun_places_to_fly.asp) has just been brought to our attention and is already proving to be a valuable asset, both in event planning and visiting. If you are not already using this site, please look them up on the web! Let them know what you think of the site by liking and commenting on their Facebook page as well!!

[Joe "Mr Fixit" Nelsen donates Radio!](#)

We have come to learn that Joe Nelsen is a man of many talents and abilities. Not only did he recently motorize "Snoopy" for the KidsFest (the propeller now turns with a flick of a switch), he has created and donated a 177 channel Portable Radio, capable of running on both AC or DC for use at events. Joe had previously rigged up a radio (set to DFW Approach) during the KidsFest event and it was a hit with the Kids who were able to listen to pilots as they got ready to approach! He then improved on that idea with this Portable radio! Great Job, Joe!! And our thanks!!

[323 receives our 50th Anniversary gifts!](#)

Mike McLendon unveiled our 50th Anniversary banner and plaque sent to us from EAA Leadership during our meeting on Tuesday night, 16 April 2019!!

Past Presidents pose with original Charter from 1969. Presidents include: (From Left to Right) Rick Simmons, Evans Gauthier, Leldon Locke, Mike McLendon and John Horn. Thank you for your continued service!

Group photo with the 50th Anniversary banner sent by EAA.
