

EXPERIMENTAL AIRCRAFT ASSOCIATION

Monday Morning  
November 2, 1981

Dear Chapter Thirty Five Members,

November Meeting: There will be a Pre-Meeting Chili Dinner. The time is Saturday, November 14 at 6:00 p.m. in the Chapter Building. For a two buck donation (one buck for the kids) you will get a big bowl of famous South Texas Chili and beans, crackers, coffee or tea, and cookies. Come hungry.

Regular Meeting: After dinner at 7:30 p.m.; the program will include closing of nominations and the election of officers for 1982. Following the vote we will watch a video tape story of the adventures of two sailplane pilots as they ride the winds in New England and the West.

Nominations of Officers for 1982: To date, the following people have been nominated. Others may be nominated at any time up to the closing of nominations just prior to the elections.

President -----Julius Braun  
Vice President-----Alvin Campbell  
Lewis Mason  
Secretary -----Carolyn Smith  
Treasurer -----Denver Barr

Stinson Field, Sixty Fifth Year: There will be an airport open house to commemorate sixty five years of aviation service to the city of San Antonio. It will be held Saturday, November 7 from 11:00 a.m. to 5:00 p.m. and will mark the beginning of a rejuvenation of the airport. We have been request to display experimental and antique aircraft during the event. Projects under construction are welcome. This is the reason you are getting the Newsletter early this time, in order to inform you of this event and to encourage those interested to display their aircraft

Fiesta Derby: The Women's National Aeronautical Association is sponsoring a Pilot Proficiency Air Derby at Stinson Field on November 7 starting with a 0930 briefing. Registration is on November 6, at 1630 to 1800 hours. This is open to all pilots. The festivities will end with an Awards Dinner in the Stinson Tower Building lobby from 1900 hours on. We are all invited.

Design Group: Will meet at 7:30 p.m. Friday, November 6 and at 7:30 p.m. Friday, November 20 at the Western Front aircraft and auto factory. It is located just east of San Antonio International on 10718 Sentinel. Go North on Broadway, past Bitters Road, turn North on Sentinel and it is in the third row of businesses on the right. Chuck Schelnick has a "basket case" Champ for sale, \$2500 as is. It needs new wing spars and covering, but the structure is there and not badly rusted at all. The engine is running pretty well, but Chuck would recommend an overhaul. See or call Chuck at Bulverde International for further details. This might be a project for the Design Group.

Kerrville Fly-In: A meeting of the Directors of the Fly-In will be held at the INN of the HILLS from 11:00 a.m. to 3:00 p.m. on November 7. (That will be a real busy day, won't it?) Any suggestions for improving the fly-in operation can be made to Bill Haskell or Julius Braun before the meeting.

Just a reminder, Remember the Christmas Party, December 12 at St. Mary's University. -- Julius has a lot of information in this letter, hasn't he? Best regards!

*Brer Ralph*
