Clear Prop!!!!

By David C. Talley

Well, as you have read on the front page, I have to report the passing of another EAA 35 member. Chas Harral, a nationally known speaker, passed on after a long battle with pancreatic cancer. He is survived by his wife, Von. Chas graciously spoke to the chapter on two occasions. Those in attendance were well blessed to hear this great aviator, speaker and friend. Chas, thanks for blessing us with your presence. You're already missed, Chas. God Speed.

- Don Staats, VP extraordinaire, has a new email address. Check it out on the left...
- Need the URL for the website? It's on the front page, upper left. By the way: www.eaa35.org
- John Latour has assumed the duties of Membership Chairperson from Scott Thompson. Scott's life's duties have kept him from performing the duties as he feels he needs. Scott, thanks for standing up when you were called.
- Mike Holcomb got national coverage while at OSH with his Cessna 210 Bush conversion. Mike graciously wrote up his project for EAA 35. We have both reports for your reading enjoyment.
- Bryan Tobias checks in with a new series for your magazine. He's promised to

write a "Maintenance Corner" for your needs. I, for one, am looking forward to reading his input for our maintenance needs. Thanks, Bryan!

- Cody Kelly is again in the news. Norris reports in on the latest development.
- Our illustrious Young Eagle coordinator, Brad Doppelt reports in with our up-to-date status.
- Plane-of-the-Month comes to us from Jon Farr. He writes up his project along with the "efforts" of many folks who gave their time and expertise to assist his family in the building of their Cozy.
- It may be a year or two late, but Jim Rice starts his report of the return trip from Oklahoma with his Hot Water Special. Also, please IGNORE any "statements" concerning your Newsletter Editor. There only "Vicious Rumors"! ☺
- E.D. Yoes writes this month's Safety Corner. He humbly relates to an incident that happened to him. Hats off to Yoes for sharing some personal pain for our gain.
- Leslie Doyle & Kris Kilmer check in with some interesting Military stuff...
- Twenty-eight, count 'em, twenty-eight pages in this month's Runway 35. Would someone please read this rag?!
- There's much, much more...please read on and enjoy your copy of Runway 35, the "Best Award Winning" Newsletter of ANY EAA Chapter!
