OCTOBER 1982

President.....	Julius Braun	494-5907
Vice President...	Lewis Mason	674-7854
Secretary.....	Carolyn Smith	675-2754
Treasurer.....	Denvar Barr	623-5460
Editor.....	Daniel A. Cerna	433-7408

OCTOBER MEETING: Saturday October 9, 1982, 7:30 P.M. Chapter Building, Westside Airpark.

PROGRAM: Composite update. Steve Jenkins of the Western Front will bring us up to date on the state of the art. His forum at Kerrville was one of the best received, no doubt due to Steve's considerable experience with composite structure.

ELECTION OF OFFICERS: A slate of officers for 1983, as proposed by the nominations committee, was presented and accepted unanimously by those present at the September meeting. No additional persons were nominated so a vote to accept the proposed slate was taken and passed. Your chapter officers for 1983 are:

President	Lewis Mason
Vice President	George Scott
Secretary	Caroyrn Smith
Treasurer	Mike Rodriquez

KERRVILLE KUDOS AND STATISTICS: Sincere thanks for the great support of all Chapter members during the fly-in. This one was the greatest yet with 306 show planes (including 35 ultra lights) and over 600 total planes. Over 1700 registered along with about 3000 family and guests. Total attendance was estimated at 10,000.

SOME OSHKOSH NUMBERS: Around 750,000 people and 14,000 aircraft including 1818 show planes. Over 1200 foreign visitors from 56 countries and 40,000 campers in the campgrounds plus many thousands more at outlying locations.

WANTED - AUTOGYRO ENTHUSIAST: To complete a Banack Autogyro - 2 place tandem - for the Texas Transportation Museum. If seriously interested, call A.D. Zucht 225-2681.

TAXES: Now that the county has shown the way, the city of San Antonio is also out to Tax your plane. Lets insist on a little return for our bucks in the way of more airstrips for light aircraft scattered around the area.

AIR EXPLORERS: We have been asked to try again as sponsors to Aviation Post 838 of the Exploring Division B.S.A. To do so, we need a Post Advisor and helpers who can take this opportunity to oversee a worthy project. Please step forward.

KEEP IT SAFE!

WHAT'S NEW: Did you know that two Curtiss Fledgelings are being built here in San Antonio and will be assembled at Zuehl Airport.
