WINGS AND WHEELS

Our upcoming November event promises to be a very exciting mid-day gathering.

We will have a group of Model A enthusiasts driving out to the airpark to participate in some photo opportunities, our chili cookout competition and, an important piece of official business, the election of Officers.

The events will kick off at 11 am when we will gather to admire the modal A's and take photos of them with antique, classic, modern and home built aircraft. We should get some great photos and meet some interesting folks.

Gail and her crew will also be setting up clubhouse for the Chili cook off competition.

This year all guests and members will vote of the best chili of the day. We welcome all types of chili from the classic Texas style to the vegetarian. Bring your best and your friends will judge it on its merits.

The time line for the day will be as follows:

- Initial gathering of Model A's and Airplanes at the EAA club house 11:00 AM
- Set up and start of the annual Chili Cook-off in the club house 12:00 PM
- Chili Served and votes taken: 12:30
- Winners announced 1:15 PM
- Chapter Meeting 1:30
- Election of Officers
- New Business
- BOD Mtg 2:00 PM

Do you fly a **vintage airplane**, or something that looks vintage? (You **biplane** flyers know what I'm talking about)

Would you like to participate in a meet-and-greet and **photo opportunity** with the Alamo A's vintage Ford **Model A** enthusiasts group?

Bring your plane out to the Chapter clubhouse Saturday November 12th at 11:00. See you there!
