Manitowoc EAA Chapter 383 Newsletter

## Chapter Logbook

by Chapter President Jim Zuege

Thank you to all the chapter members who helped at the Fly-In on June 3. It was busier than expected but we all pulled together and got it done! We had to make multiple trips to Rob's to restock groceries to cook. We went through over 20 boxes of pancake mix and served about 350 brats and burgers. In the end we netted \$2,636! Are there areas for improvement? Please email me or talk to me or bring it up at the next meeting.

We were not the lucky winners to do the breakfast at EAA AirVenture. Hopefully next year will be our turn.

I will not be attending the chapter meeting on June 14. Every year, for the past several, I go to Oshkosh to volunteer to work for one week in preparation for EAA AirVenture. I used to camp in my home-built teardrop for the week and shower in the community wash room with a hand-held kitchen sink sprayer for a shower head. I've helped with projects like building the EMS building in the campground, repurposing old buildings to making charging stations. My wife has painted, cut grass, and worked on the passenger shuttles during AirVenture. It's fun to see the place come to life. They have hundreds of volunteer opportunities and volunteer weekends.

Jim

### Monthly Meeting

2nd Wednesday  
6:30

KMTW

Chapter 383

Hangar 22

1805 Freedom Way

Manitowoc
