CHAPTER LOGBOOK

by Chapter President Jim Zuege

Happy New Year!

My goal this year, as president, is to give you more of what YOU want as a paying member of Chapter 383. The first step in working toward that goal is to find out what you want. This chapter may be exactly what you want or it may not be providing what you are looking for. Let's find out!

A six question survey will take you one to three minutes to complete. I would like to see 100% participation. Everyone's opinion matters.

[Here is the link to the survey.](#)
