Manitowoc EAA Chapter 383 Newsletter

## Chapter Logbook

by Chapter President Jim Zuege

Happy Holidays Fellow Grumpy Ducks,

I can't express how grateful I am at the growth of Chapter 383 this year! It is great to see the amount of enthusiasm and activity. Thank you to everyone who helped drive the growth. I'm proud to be a part of this organization and I look forward to a prosperous and successful 2025!

The decision was made at the last business meeting to replace the aging outdoor Rahr Hangar sign. The old sign will move to inside the hangar once it's replacement is installed.

A new door has been installed in the hangar by Lakeland Door. They did a great job; it looks good.

The Saturday gathering and business meeting are cancelled this month due to Christmas. A youth day is set for January to work on the Seabee. I've secured a donation for the paint from ATI Color in Green Bay.

Thank you again for support of Chapter 383.  
Merry Christmas. See you at the Christmas Party!

Jim
