Manitowoc EAA Chapter 383 Newsletter

Chapter Logbook

by Chapter President Jim Zuege

I, for one, have had no time to visit my girlfriend (473JZ). My second girlfriend has been taking up most of my time (T-bird convertible) made of pieces and parts from numerous Thunderbirds. Plus work kind of gets in the way. But, I have students that took first place at state SKILLS competition and are heading to national competition in Atlanta. I'm very proud of them.

We have a chapter fly-in coming up June 3. Be prepared to sign up to volunteer at our next meeting. We need a crew from 6am-11am and another crew from 10am-3pm. To make this a successful event, we need volunteers. If you own a plane, please have it on display in front of our clubhouse for the event. Also if you have an old car, we ask you to display those too. It should be a fun day. Oh, and we will sign up kids to fly and become a Young Eagle. The flights will take place at a later date.

Here is great information from a recent article.

Volunteers have specific reasons volunteering -

- *Gaining new skills.*
- *Making new friends.*
- *Mental and physical health and wellbeing.*
- *Giving something back.*
- *Improving your confidence.*

Jim
