 Greg Pawczuk (248) 935-3185  
 Clint Ray (810) 223-6819  
 YE Coordinator - Karl Vogelheim (812) 987-3600

## OSHKOSH UPDATES

**B**e prepared to come to the meeting and reflect your personal Oshkosh updates. What impressed you, what progress did you make on your project and what volunteer experience did you enjoy the best. Returning to the mega-aviation event in the world, is a great experience. Let us know how it was.

## AROUND THE AIRPORT 45G

- **Saturday morning breakfast**  
Breakfast is served at the BAA House, on Hyne Road, every Saturday morning at 9:00am.
- **Pilot Proficiency Night**  
Each Monday evening a new topic is discussed at the BAA House in a relaxed format.

## BRIGHTON FLY-IN / CRUISE-IN

**W**ell, this is the week it all happens; the Brighton Airport Fly-In and Cruise-In. Some preliminary layout has already occurred but more finish work will be completed this Friday afternoon at 5:00pm. Come on out and help.

We will need volunteers to help with Classic car parking, transient automobile parking, aircraft parking, food prep and clean-up activities. Please plug-in to one of the volunteer positions and let Ray Krom know where you can assist. The volunteer duties are being split up with morning, and afternoon duties. This should allow everyone time to observe the show.

Make sure you invite your friends to attend this great Family-focused event. We will talk more about this at our EAA Chapter meeting this Wednesday at 7:00pm.

## EAA Hangar Door Installation - Update

**T**here is still much work to be done on the hangar door installation. The apron concrete has been cut but we need to break it up & remove the old concrete. Forms need to be set and concrete poured. The old sheet metal needs to be cut and re-installed above the door and the final trim needs to be installed on the sides of the door.

Please come on out and lend a hand on finishing the door installation this summer as cool weather is coming.
