UPCOMING EVENTS

→ The next meeting of your EAA Chapter is Wednesday, July 14, 2021 at 7:00pm.

The meeting will be in the EAA Hangar on the east side of the runway.

After the business of the meeting has concluded, we will be working on the Stinson 10A. Bring nitrile gloves and safety glasses.

→ OPEN INVATATION TO ALL - If you're a pilot in, and around the Brighton Area or simply an aviation enthusiast, please feel free to come to our EAA Meeting and see what's going on. We are in the process of changing our chapter activities over to "Hands-On" activities in an effort to develop skills for the eventual restoration of the Stinson 10A that has been loaned to the chapter for restoration. Please come check us out and join our group if you like what you see.

→ The August meeting is scheduled for Wednesday, August 11, 2021 at 7:00pm.

EAA Hangar Clean-up

Decking was added to the loft area for storage of light, aircraft parts and supplies. Thanks to David Keller for the OSB sheets for the loft.

Thanks to Greg Pawczuk, Jack Haviland, Rodney Beckwith III, and David Yegge for their help organizing the hangar. The bomb has been hung on the wall in the "deployed" orientation and the fuselage was re-positioned on the chairs in the upright orientation to conserve floor space.
