2022 In Review

This year was a fairly active year for the chapter.

In January we said goodbye to one of our members, Charlie Flaherty, a retired Detroit Fire Department Fireman and WWII Bomber Gunner. Through the year we ended up with 22 active members. We held two Young Eagle Events introducing 24 young people to aviation with YE flights. Two member aircraft projects were finished (Heckler and Hubbard) with many other projects seeing progress (Stonewall, Keller, Springar, Yegge, and Harris). We hosted a spaghetti dinner and a Taco Bar as fundraisers that collectively raised over \$700.00. We received a new bi-fold hangar and over the year the door was installed with only a few small details to complete this spring. In November, progress was made moving the existing furnace to a new location in the hangar to utilize a previous vent tube in the roof. We also supported two BAA activities with the Fly-IN/Cruise-In and the Fly-In/Camp Over. We should feel good about the progress that was made this year.
