- YE Coordinator - Karl Vogelheim (812) 987-3600

EAA CHAPTER DUES FOR 2022

Your EAA Chapter dues are due this month. The dues will remain at \$25.00 this year. Also, I will be sending out an invoice this month, as a reminder.

Charlie Flaherty Passing

As many of you know, we lost Charlie Flaherty last month. Charlie was an EAA 384 Chapter member who had served during WWII as a side gunner in a B-17 Bomber. Charlie had completed his thirty five missions in Europe by the age of 19 when he returned home. Upon his return, Charlie served on the Detroit Fire Department from which he retired. In his spare time, Charlie also restored antique automobiles.

Charlie took a ride in Miles Bowen's Cessna 170B at a summer "Fly Buddy" night after a summer meeting. I think Charlie's grin expressed his thoughts on the flight.

Below, Charlie took his final ride in a restored fire engine. Rest in peace our friend.

Thanks to Rodney Beckwith III and Miles Bowen for sharing these photos.

STINSON 10A RESTORATION UPDATE

Progress continues on the Stinson 10A restoration. Work stalled a little bit over the holidays but we did make some progress. We are still stripping the heavy brown paint off of the right wing spar but some components have been removed from the wing root end for cleaning and priming and re-installed.
