Fundraising Project

Progress has been made on the fundraising project to help us pay off our hangar mortgage. As you know, a 1940 Taylorcraft project was purchased by David Keller and moved back to Brighton Airport for assembly. The goal has been to assemble the project (not to airworthy condition), photograph the project and put it up for sale. With the proceeds from the sale, we hope to pay-off our EAA Hangar mortgage.

To date, the aircraft has been re-assembled, pictures have been taken and a advertisement is being written and will be placed on Barnstormers and Facebook within the next week.

Fundraising Project (con't)

If you know anyone who may be interested in a pre-war aircraft project please contact any of the EAA Officers listed above. The asking price is \$13,500 or best offer. Thanks
