BRIGHTON SPORTPLANE ASSOCIATION

July 13, 2022

UPCOMING EVENTS

- The next meeting of your EAA Chapter is tonight, July 13, 2022 at 7:00pm. The meeting will be at the BAA House/terminal building.
- The August meeting is scheduled for Wednesday, August 10, 2022 at 7:00pm.

YOUR EAA CHAPTER OFFICERS

President – David Yegge (810) 241-6328
 Vice President – Jon Harris (313) 909-3225
 Treasurer – Rod Beckwith III (517) 304-9241
 Secretary – David Hubbard (734) 395-2395
 Trustee(s) at Large -
 Greg Pawczuk (248) 935-3185
 Clint Ray (810) 223-6819
 YE Coordinator - Karl Vogelheim (812) 987-3600

Spaghetti Dinner

On Sunday, June 26th, the Chapter held a Spaghetti Dinner Fundraiser to help pay for the new bi-fold hangar door. The event was well attended and the Chapter raised about \$230.00. Everyone enjoyed spaghetti, garlic bread, salad and some red wine. A good time was had by all. Many thanks to Nancy Springar, David Keller, Greg Heckler, David Yegge, Mark Luscomb and the BAA for letting us use the facility.

AROUND THE AIRPORT 45G

- **Saturday morning breakfast**
Breakfast is served at the BAA House, on Hyne Road, every Saturday morning at 9:00am.
- **Pilot Proficiency Night**
Each Monday evening a new topic is discussed at the BAA House in a relaxed format.

Young Eagles Day

The Young Eagles Day was a huge success as the Chapter introduced 12 young people to aviation on Saturday June 11, 2022. Clint Ray, Ron Stonwall and Karl Vogelheim helped with the paperwork and ground activities. Our volunteer pilots were Ray Krom, Miles Bowen, Karl Vogelheim, Jon Harris, and David Hubbard. After the event, we were able to enjoy the Saturday breakfast at the BAA Clubhouse.

Thanks to all who helped.

EAA HANGAR DOOR INSTALLATION IS PROGRESSING

Much progress has been made on the EAA hangar door installation. At this point, the door has been hung, wired and programmed, and fully functional. The only tasks that remain are installing the outside trim and fascia. In addition, we need to remove the old sliding doors and install sheet metal over to old door tracking strips.

All EAA volunteers are welcome to help with this project. Please contact David Yegge with the dates and times that you can help. In addition, if you are able to donate any funds to help the Chapter pay for the door, please contact Rod Beckwith or sign up on the sign-up sheet in the BAA house.

Thanks

Upper Left

Paul Aurand giving the team a little coaching on the door prior to sheathing the outside.

Center Left

Greg Heckler and Nick Yegge observing the first cycle of the door going up and down.

Lower Left

Mark Luscome "The Mad Scientist" programming the controls and stops for the new bi-fold door.
