BRIGHTON SPORTPLANE ASSOCIATION

June 7, 2021

## UPCOMING EVENTS

- The next meeting of your EAA Chapter is Wednesday, June 09, 2021 at 7:00pm. **The meeting will be in the EAA Hangar on the east side of the runway.** After the business of the meeting has concluded, we will start working on a gameplan to fabricate and install the leading edges on the Stinson Flaps.
- OPEN INVATATION TO ALL - If you're a pilot in, and around the Brighton Area or simply an aviation enthusiast, please feel free to come to our EAA Meeting and see what's going on. We are in the process of changing our chapter activities over to "Hands-On" activities in an effort to develop skills for the eventual restoration of the Stinson 10A that has been loaned to the chapter for restoration. Please come check us out and join our group if you like what you see.

Chapter 384 annual dues are \$25.00 and can be sent to Rodney Beckwith III.

Rod can be reached at (517) 304-9241 or you can mail him a check to him at:

### Fabric Covering Workshop

**I**f you missed the fabric covering workshop, don't worry, as we will be conducting another workshop prior to doing the wings on the Stinson 10A. In the mean time, we will be covering the flaps in the next six to eight weeks so you can get your hands on some fabric and rib lacing soon. Thanks to all who participated in the workshop.
