Project Aircraft - Speed Canard

In December a Speed Canard aircraft was retrieved from Gross Isle Airport. The aircraft was donated to Chapter 384 at no cost. The owner only asked that we clean out the hanger it was stored in. Dave Keller is currently storing the aircraft.

Chapter Member Projects

Many of our local 384 Chapter Members are working on their own aircraft. We try to spend a little time at each meeting for the members to update the crowd on their recent progress on their aircraft. The following are projects known to be working in or around the airport: A Wag Aero Wagabond, An RV 12 project, a Zenith Cruiser, a Hatz CB-1 biplane and a Pre-war Taylorcraft restoration. If you are working on a project and would like to update the crowd, please drop by the meeting this Wednesday.
