EAA Chapter 384, Brighton, MI  
BRIGHTON SPORTPLANE ASSOCIATION

July 10, 2023

## UPCOMING EVENTS

- The next meeting of your EAA Chapter is this Wednesday, July 12, 2023 at 7:00pm. The meeting will be at the BAA House/terminal building.
- The August 2023 meeting is scheduled for Wednesday, August 09, 2023 at 7:00pm.

## YOUR EAA CHAPTER OFFICERS

- President – David Yegge (810) 241-6328
- Vice President – Jon Harris (313) 909-3225
- Treasurer – Ron Stonewall (810) 623-3427
- Secretary – David Hubbard (734) 395-2395
- Trustee(s) at Large -
- Greg Pawczuk (248) 935-3185
- Clint Ray (810) 223-6819
- YE Coordinator - Karl Vogelheim (812) 987-3600

## AROUND THE AIRPORT 45G

Saturday morning breakfast is every Saturday at 9:00am - Don't be late. \$5.00 buys an excellent breakfast.

The airport Fly-In / Cruise - In is scheduled for Saturday, August 12, 2023 at 10:00am. Please contact Ray Krom and volunteer to help where you can. Thanks

## 2023 Fundraiser Project

The Taylorcraft BC12D parts have been listed on a few different websites. To date, we have sold the landing gear (thanks to our member Jonathan Weber) and have had a few potential customers look at some of the components. Ron Stonewall is also speaking with members of Chapter 113 for a potential sale of the engines.

If you know of anyone who is looking for Taylorcraft components, please have them stop by the Chapter Hangar and take a look, or look at the photos on-line. Thanks

## Hangar Door Update

Door Installation Update. The hangar apron has been leveled and formed. Fencing material is in the pit. Prior to pouring cement, we need to drill horizontal holes in the existing cement and place steel re-bar. Please let David Yegge know if you are available to help. Also, thanks to Mark Luscomb for installing the door side trim.

## STINSON 10A RESTORATION UPDATE

Well, the further we "dug" into the condition of the right wing spar, we discovered splits in the front spar, below the spar caps. After a meeting of the minds, we came to the consensus that we need to replace the spar. Not to worry, a field trip to Public Lumber on 7 Mile road last Friday was scheduled, a beautiful piece of Sitka spruce was selected, purchased and transported back to Brighton. The next step in the process is to develop a game plan to have the piece milled/routed down to it's final size. Much thanks to Ron Stonewall, Jim Zantop, Fred Pearlman and David Hubbard for their help on this mission. Work continues every Friday morning from 9:00am till 12:00 noon. Feel free to "jump-In" on the project if you are available. Thanks to all and Clint Ray for his guidance.
