AROUND THE AIRPORT 45G

- **Saturday morning breakfast**
Breakfast is served at the BAA House, on Hyne Road, every Saturday morning at 9:00am.
- **Pilot Proficiency Night**
Each Monday evening a new topic is discussed at the BAA House in a relaxed format. This is a great way to keep up-to-date on multiple aviation subjects. After the meeting, much of the crowd travels over to T-Bones Pub for dinner and more comradery.

Hangar Door Installation Update

- The following tasks have been completed.
- The old concrete has been broken up and removed.
 - The bottom door seal has been installed.
 - Gravel has been added to the apron area and compacted.

- The following list of tasks need to be completed:
- Install J-Channel above the weather membrane
 - Seal the membrane seal at the top of the door with silicone
 - Install the side door trim on the Diamond Door
 - Paint the old door wooden rails with a second coat of paint
 - Form up the new concrete apron and schedule a concrete delivery. This will be scheduled for spring.
 - Install the needed vent lines for the furnace.
- We can review the plan at the meeting this Wednesday evening.

Member Project Updates

During each meeting, we take a few minutes to review the projects that our members are working on. It's very interesting to hear the progress that the members are making on their projects. It also opens up the discussion on how some challenges were solved. Brighton has a great knowledge base and some interesting projects are being completed. Some of the active projects include a Zenith CH 750 Cruiser, two Vans RV-12's, A Wag Aero Wagabond, A Stinson 10A, a Cozy and a Sonerai.
