## Brighton Airport Fly-in / Cruise - In

**D**on't forget ... this Saturday is our Fly-in / Cruise - In at Brighton Airport. This is a mid-day event with airplanes, classic cars, hot dogs, brats and hamburgers.

We could use a few volunteers to help fill some of the needed positions. It would be great to have some of the EAA gang helping parking cars and airplanes. Hope to see you this Saturday.

The fuel tank strap was removed from the Stinson 10A right wing last time. The part was stripped, bead blasted and primered with self-etching primer.
