## 2023 Fundraiser Project

Mark Luscomb has listed the aircraft parts on a few different websites so hopefully we can sell the parts and make progress on our 2023 fundraising project. If you know of anyone who is looking for Taylorcraft components, please have them stop by the Chapter Hangar and take a look, or look at the photos on-line. Thanks

**Our speaker this month is Barry Levine. Barry will be giving a discussion on the history of the Willow Run Plant in Ypsilanti, MI. Willow Run was the complex built by Ford Motor Company during World War II to mass produce B-24 bombers using automotive assembly line practices. Everyone is welcome to come out and enjoy the presentation; 7:00pm this Wednesday, May 10, 2023 at the BAA Clubhouse.**

## AROUND THE AIRPORT 45G

Saturday morning breakfast is every Saturday at 9:00am - Don't be late. \$5.00 buys an excellent breakfast.

The airport needs volunteers to mow portions of the airport on the zero-turn lawn mower. Please speak to Tracy Lanciano for the details.

**Your 2023 chapter dues (\$25.00) are due NOW. Please get with Ron Stonewall and make your 2023 dues payment. Thanks**

## Young Eagles Season

**Karl Vogleheim, our Young Eagles Coordinator has set the following dates for Young Eagle events this year.**  
 Sunday, June 10th, at 8:00 am at Brighton  
 Saturday, October 7th at 8:00 am at Brighton

If you know of any young people between 8 years old and 17 years old, with an interest in aircraft and/or aviation, please let Karl know so we can schedule a young eagles event for these kids. We, as pilots, need to continue to introduce the young people to the world of aviation that we enjoy so much. Thanks
