CHAPTER 384 HANGAR BI-FOLD DOOR IS ON-SITE

Before

Our hangar door is on-site in Brighton and is pictured in the left photo.

We will be discussing a game plan to install our new door at the next meeting.

After

The photo on the right is Paul Aurand's hangar where he has installed the same door.

STINSON 10A RESTORATION UPDATE

Dave Yegge and Mark Luscomb spent some time stripping the paint off the Stinson right wing spars. Their efforts were documented by the debris on the floor under the wing. No to worry, the clean up effort was completed a week later with a broom and a dust pan.
