- The next meeting of your EAA Chapter is this Wednesday, April 12, 2023 at 7:00pm. The meeting will be at the BAA House/terminal building.
- The May 2023 meeting is scheduled for Wednesday, May 10, 2023 at 7:00pm.

YOUR EAA CHAPTER OFFICERS

President – David Yegge (810) 241-6328
 Vice President – Jon Harris (313) 909-3225
 Treasurer – Rod Stonewall (810) 623-3427
 Secretary – David Hubbard (734) 395-2395
 Trustee(s) at Large -
 Greg Pawczuk (248) 935-3185
 Clint Ray (810) 223-6819
 YE Coordinator - Karl Vogeleheim (812) 987-3600

2023 Fundraiser Project

The photos have been taken, the components have been priced for sale and are about to go to press. Mark Luscomb is listing the aircraft parts on a few different websites so hopefully we can sell the parts and make progress on our 2023 fundraising project. As you know, Chapter 384 is undertaking this project to pay for the Diamond Bi-fold door that we installed last year.

If you know of anyone who is looking for Taylorcraft components, please have them stop by the Chapter Hangar and take a look. Thanks

AROUND THE AIRPORT 45G

The airport is looking very "spring-like" lately. Get out there and get those currency flights done if you haven't already.

Recent breakfast attendance has been great so keep on coming out. Breakfast happens every Saturday morning at 9:00am. It's a great meal and only \$5.00 per person.

Your 2023 chapter dues (\$25.00) are due NOW. Please get with Ron Stonewall and make your 2023 dues payment. Thanks

Young Eagles Season

Our Young Eagles Coordinator, Karl Vogeleheim has set some tentative dates for Young Eagle events this year. They are as follows:

Saturday, May 6th, 2023 at 8:00 am at Brighton
 Sunday, June 10th, at 8:00 am at Brighton
 Saturday, October 7th at 8:00 am at Brighton

In addition to these scheduled dates, we can always fly a small number of Young Eagles any Saturday morning if we know in advance. Last Saturday, April 8th, Jon Weber was able to fly Two Young Eagles in a Piper Arrow. Thanks Jon, I know that Noah and Jude both had a great flight.

After their flights, both Young Eagles, and their families, were able to enjoy the Saturday morning breakfast.

EAA Announces Inaugural Learn to Fly Week – May 15 to 20

Aspiring aviators will have the opportunity to discover multiple pathways to becoming a pilot as EAA presents its inaugural Learn to Fly Week on May 15-20.

Beginning May 15th, expert flight instructors and representatives from various aviation organizations will present free, interactive webinars. These webinars will cover topics from starting flight training, saving time and money in flight training, preparing for the FAA written exam, to passing the checkride, and so much more. While the live showing of these presentations will be open to the public, the recordings will be archived for EAA members to view at their convenience.

Learn to Fly Week will conclude on Saturday, May 20, with Flying Start events hosted at chapters across the country. EAA's Flying Start program allows EAA chapters to welcome, encourage, and educate new aviation enthusiasts about the fun, freedom, and accessibility of personal aviation in their local area. Following a short presentation about learning to fly, attendees will be offered a free introductory Eagle Flight to experience the spirit of aviation firsthand.

"Becoming a pilot is a dream for many, but few know where to start their journey. Learn to Fly Week was created to help encourage aspiring pilots to take action and begin the pilot training process," said David Leiting, EAA Eagles Program Manager. "Our goal is to show attendees how accessible achieving their dream actually is." Leiting also added that inspiration from this event stemmed from packed forums at the Learn to Fly Center at EAA AirVenture Oshkosh 2022, as well as the success of other EAA virtual events like Homebuilders Week and Virtual Ultralight Days.

Combining the educational forums from the Learn to Fly Center and the connections and inspiration found at Flying Start events, EAA Learn to Fly Week is the latest effort in the ongoing effort to help aspiring pilots achieve their dream of flight.

Sporty's Pilot Shop is the presenting sponsor of Learn to Fly Week. Sporty's will be participating in multiple webinars and offering product discounts during the week.

Full webinar schedule and more details on Learn to Fly Week can be found at EAA.org/LTFWeek.
