EAA Chapter 384, Brighton, MI
BRIGHTON SPORTPLANE ASSOCIATION

January 9, 2021

UPCOMING EVENTS

- ➔ The next meeting of your EAA Chapter is Wednesday, January 13, 2021 at 7:00pm. **The meeting will be at the BAA House.** After the business of the meeting has concluded, we will be conducting a fabric workshop which will run through the next three months.
- ➔ Remember, your 2021 EAA Chapter dues of \$25.00 are due this month. Please send in your 2021 chapter dues to Rodney Beckwith III
- ➔ The February meeting is scheduled for Wednesday, February 10, 2021 at 7:00pm.

EAA ELECTION RESULTS

With the EAA Chapter elections last November, the following people were elected to the following offices:

- President – David Yegge (810) 241-6328
- Vice President – Jon Harris (313) 909-3225
- Treasurer – Rod Beckwith III (517) 304-9241
- Secretary – David Hubbard (734) 395-2395
- Trustee(s) at Large -
 - Greg Pawczuk (248) 935-3185
 - Clint Ray (810) 223-6819
- Karl Vogleheim - Young Eagles Coordinator (812) 987-3600

I have included their cell phone numbers in the event you need to contact any our new officers. Thank you gentlemen for your commitment to advance aviation interests at our local airport.

AROUND THE AIRPORT 45G

- Saturday morning breakfast

Breakfast is served at the BAA House, on Hyne Road, every Saturday morning at 9:00am.

- Pilot Proficiency Night

Ray Krom conducts a pilot proficiency discussion on most Monday evenings at 6:00pm. The subject varies every week, but it's always informative. This is great for aspiring pilots and as a refresher for more seasoned individuals.

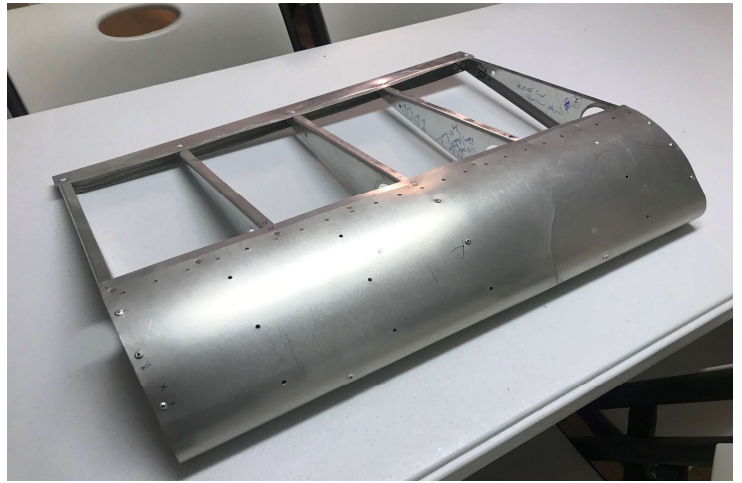

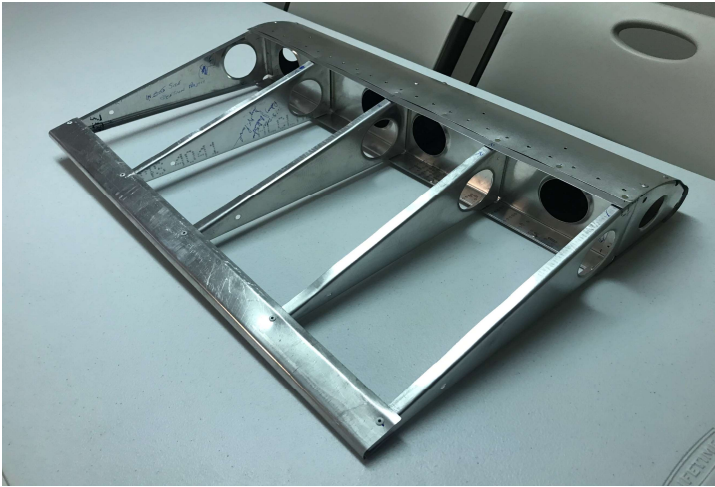

FABRIC COVERING WORKSHOP

Starting this month, when the business portion of the meeting has been completed, we will be starting a "hands-on" workshop on fabric covering using the Poly-Fiber System (formerly Stits).

Thanks to Rodney, Greg, Yan and a few other volunteers, a small aluminum airfoil was fabricated to be used as a training "buck" for conducting fabric workshops. If this training piece works well for us, we will fabricate more units so we can conduct larger training workshops.

During our first evening, we will be discussing the preparations steps to covering, installing anti-chafe tape, glueing the fabric in-place, heat forming the fabric around the ends of the piece and heat shrinking the fabric. Illustrations of the airfoil can be viewed on the next page

FABRIC COVERING TRAINING BUCK TO BE USED IN FABRIC COVERING WORKSHOP
