EAA Chapter 384, Brighton, MI  
BRIGHTON SPORTPLANE ASSOCIATION

March 5, 2023

## UPCOMING EVENTS

- The next meeting of your EAA Chapter is this Wednesday, March 08, 2023 at 7:00pm. The meeting will be at the BAA House/terminal building.
- The April 2023 meeting is scheduled for Wednesday, April 12, 2023 at 7:00pm.

## YOUR EAA CHAPTER OFFICERS

President – David Yegge (810) 241-6328  
 Vice President – Jon Harris (313) 909-3225  
 Treasurer – Rod Stonewall (810) 623-3427  
 Secretary – David Hubbard (734) 395-2395  
 Trustee(s) at Large -  
 Greg Pawczuk (248) 935-3185  
 Clint Ray (810) 223-6819  
 YE Coordinator - Karl Vogelheim (812) 987-3600

## Member Project Updates

I know of two members who have made progress on their projects; Greg Heckler and Ron Stonewall. Please stop by the meeting and give the Chapter an update on your progress. Thanks

## Board Meeting

The EAA Board will meet this Wednesday at 6:30pm (just prior to the regular meeting) to make a decision on the best course of action for going forward on the fundraising project.

## AROUND THE AIRPORT 45G

With the recent snowfall it looks like all taxiways and paved surfaces are clear. Thanks to the volunteers who made this happen. With any luck, we won't have to deal with winter much longer. Don't forget to be diligent with those first flights this year and follow your checklists. Every Saturday morning is breakfast - come on out and have a good meal and some pilot fellowship.

**Your 2023 chapter dues (\$25.00) are due NOW. Please get with Ron Stonewall and make your 2023 dues payment. Thanks**

## 2023 Fundraiser Project

As of last Sunday, we have launched our 2023 fundraising project for the chapter. After a quick road trip to Houghton Lake, MI, we were able to pick up an 1946 Taylorcraft BC12D project. Much thanks to David Keller, Nancy Springar for supplying a 28' enclosed trailer to transport the bird. In addition David and Nick Yegge, Jon Harris and David Hubbard served as the Retrieval Team.

The "Team" was able to unload the hangar in Houghton Lake in about an hour and one half. The load was safely transported back to Brighton and was unloaded into the EAA hangar on last Tuesday. Greg Pawczuk and Ron Stonewall also helped on the unloading end.

The project included a good looking Taylorcraft fuselage, multiple tail feathers, wings and extra spar material and even two engines.

## 2023 Fundraiser Project (continued)

The fundraising project is planned to help the chapter pay for the Diamond Bi-fold door that was installed on the front of the Chapter hangar last year. We owe a little over \$9,000 for the door and an additional \$2,500 for the purchase of the project. There are buckets and boxes of parts that can be sold on the multiple websites and Facebook® groups out there. Let's get started and have some fun.

- wings
- fuselage
- spars
- cowlings
- doors (4)
- engines (2)
- magnetos
- landing gear
- wheels
- Poly Fiber Mat'ls
- instruments
- propeller
- extra ribs
