## 64th Cactus Fly-in

**W**ell, your EAA Chapter Secretary has been playing around in the Southwest (Casa Grande, Arizona) for the last few months and recently I attended the 64th Annual Cactus Fly - In in Casa Grande. The Cactus Fly-In also features antique cars like we do in our Brighton Fly-In, Cruise - In.

I did take a photo of a unique aircraft but it had no identification so after a quick FAA Number look up I discovered the aircraft is a Wickham Model B, serial number 1.

## Sheet Metal Workshop At the March Meeting

Rodney Beckwith III and David Yegge will be reviewing some sheet metal techniques at the meeting this month. All are welcome to stop in and work with some metal. Dimpling, riveting and pulled rivets will be reviewed so plan to show up and have some fun.
