## UPCOMING EVENTS

- The next meeting of your EAA Chapter is this Wednesday, September 13, 2023 at 7:00pm. The meeting will be at the BAA House/terminal building.
- The September 2023 meeting is scheduled for Wednesday, October 11, 2023 at 7:00pm.

## AROUND THE AIRPORT 45G

**D**on't forget that every Saturday there is a breakfast at the house at 9:00am. Come and enjoy the hangar flying and aviation comradery.

**T**he BAA is also sponsoring a Fly-In / Camp-In on Saturday, September 23-24. Our EAA Chapter 384 has volunteered to help with the evening meal. Funds generated will be applied to our hangar door fundraising effort.

## STINSON 10A RESTORATION UPDATE

**T**he restoration project has somewhat stalled as of the last few weeks due to having no room in the hangar to work. With the Taylorcraft project for sale and the additional contents from a hangar sale on the field, we are covered up with items we need to sell. Efforts are underway to post these items up for sale on a few websites, but extra help is always welcome. Please step forward if you can help sell some of the items so these funds can be transferred over to pay off our new hangar door. **B**ack to the restoration, we need to find someone who can mill down the Sitka spruce for the right wing front spar.

## Chapter Fundraising Update

**Y**our EAA Chapter Fundraising efforts have accelerated this last month on a few fronts. In addition to the Taylorcraft parts we are trying to sell, we received a donation on some home tools, garden tractor, snow blower, chain-falls, come-a-longs, a mig welder, a battery charger and many hand and garden tools. All of these items need to be sold. A hangar owner on the Brighton field donated many items from his hangar that he no longer needed (two power tugs, a tow bar, a huge Igloo cooler, spark plugs and other aviation components) these are all items that can be sold to help pay off our hangar door. One final acquisition that was donated was a 1946 Ercoupe 415D model aircraft. This aircraft is special as it used to hang from the ceiling of the Barnstormers establishment; a local nightclub/banquet center located on M-36. This aircraft can also be sold/ parted-out to help raise money.

**H**ere is your chance to engage your selling skills and help your EAA Chapter raise needed funds.
