Good Times
at AirVenture 2021

President's Corner

By Josh Scott

Wow! What an amazing experience that was! My son's and my first AirVenture at Oshkosh was beyond expectations. We enjoyed camping with chapter friends and meeting up with other friends from the aviation community. I know my RV-14 build just got a whole lot more expensive as well! I look forward to hearing about everyone else's experiences and sharing mine at the August meeting...this Tuesday evening. If you weren't able to make it this year, we hope you can make plans to join us next year! In addition to sharing Oshkosh stories, we have a few other topics to cover and move forward on for the Chapter. Look for discussion on updating our AV equipment, Young Eagles events upcoming, and a KRAP fly-in breakfast. As always, keep sharing the love of aviation, and bring a guest(s) to the meeting and events. Let's get more folks involved.

Great News!!!

Jim Hayward has agreed to take on the job of "web master." He'll be letting us know what we can do to help him. Thanks so much, Jim!

Betty (& Milo) Schindler Memorial

August 2, 2021

Black Hills National Cemetery

Betty was an integral part of our chapter. For years she arranged, set up, and cleaned up afterwards for our burger burns. She helped with Young Eagle events. If a helping hand was needed, Betty was there. She was also an active AirVenture volunteer. But most importantly, she was just a really nice, gracious lady. I miss her.

Also there was discussion about the extra funds from Milo's memorial.
