New Members!**

Dave said he is a long-time, fair weather flyer and he is presently in the process of building a Starduster Too. He reports that the center section of the main wing is done.
- Leota Lane and her father, Bruce, joined the chapter at the April meeting. Leota has her PPL and has about 135 hours logged. She is working on ratings and is anxious to fly commercially. She will be flying Young Eagles at the June 12th event!
