Airport Board Report: Rollie Bailey

- There are some hang ups with the construction of the West Hangar replacement but the contractor says it will go up fast when they get started.
- Runway repairs are scheduled, and the runway will likely be shut down for 2-3 days while the work is in progress.

Fly-Outs: Reported by Rollie Bailey

Rollie reports the third Saturday Fly-Out of April was to Port Clinton and the Tin Goose. Five pilots, Jim Lemley, Bob Erhard, Dick Perdue, Chris Anderson and Rollie Bailey and their aircraft participated. All had a great time. Rollie suggested we all take a look at Dick Perdue's fly-out videos on You Tube Videos.

Old Business:

- Tom McFadden offered to buy the old TV-Monitor from the club and offered \$25.00. No one else wanted to make a higher bid. Motion by Barney and seconded by Bill to sell it to Tom for \$25.00. the motion passed.
- Our Ray Aviation Scholar, Jessica Postle reports she is going to take her commercial check ride next Thursday, April 22nd.

New Business:

- Soffit/Roof leaking: As mentioned in the Board of Directors meeting report the soffit over the road-side door of the clubhouse is showing signs of water damage. There is a difference of opinion as whether there is a roofing problem or not. Since we don't own the building are we responsible for it? This item of new business was tabled.
- **Eagle Flights:** Ken Hughes explained EAA's Flying Start/Eagle Flights Program. Chapter 402 has an event tentatively scheduled for September and Ken is working out the details. He will be asking for volunteers to help with this event in the near future.

Project reports:

- Tom Thompson reports that he has the trim worked out on his homebuilt.
- Barney reports that his Ercoup is in the last stages of annual and will go up for sale when finished.

Sun-N-Fun Report: Tom Thompson and his son Scott flew to Sun-N-Fun in Scott's restored

Cessna 180. Scott won an award of Outstanding on the 180. Tom said he was disappointed in the low number of homebuilt aircraft there this year. Although there were many classics and antiques at the show but very few homebuilts. He also said Amazon is now using Lakeland as a terminal and has purchased the Sun-N-Fun grounds for expansion therefore Sun-N-Fun will be relocating to somewhere else on the field in the future.

Member: Bob Marriott, a valuable member of our chapter, has suffered a stroke and will not be attending meetings for a while. According to Rollie Bailey, Bob is in good shape except for some difficulty with speech. Rollie is transporting Bob to/from his therapy sessions. Best wishes to Bob for a speedy recovery.

The meeting was adjourned by President Volpe at 1945 hours.

Minutes respectively submitted by Secretary Tom McFadden
