NOTES FROM THE PRESIDENT

Finally, a break in the frigid temps has arrived! We still have a bunch of snow to melt before most of us start flying again at Gen-Airpark. Dion however, is anxious to get skis on the Champ and go flying in the snow!

We were able to enjoy a great Wingin' It Breakfast last Saturday in spite of having to move tons of snow to make the pilot lounge accessible (Thanks Dion Carr, Scott Durian, and Bob Johnson). Bob and Barb Kuhns assisted Mary and Dion with the breakfast and Mary's cinnamon French toast was a huge hit! After breakfast many of us made the short trek to Bob Johnson's "Skunk Works" airplane building shop to see the progress he's made on his Rans S-20 Raven. It's looking good and the wings are just getting a couple finishing touches in preparation for fabric covering.

Nick Anagnos, Kyle Ganson, and myself are looking forward to our Leadership Training trip to Oshkosh in a couple days. We will be able to report on our session at the Chapter 410 February 3rd gathering. For the main attraction at the February gathering, Barb and Bob Kuhns will be presenting a program about flying around New Zealand in a Cessna. Barb and Bob enjoyed this experience some time ago, but it was an exciting and memorable adventure that would be fun to be able to do and they will tell us all about it, complete with photos of the beautiful New Zealand scenery! How many of you have visited New Zealand, let alone flying around the country in a light plane? Just as I suspected, so this is an outstanding chance to "visit" vicariously through Barb and Bob's presentation. Let's start the optional social hour/meal around 6pm this time. Meal menu to be determined for those who care to partake.

Don't forget to put the upcoming VMC Club meeting on your calendar—Thursday, Feb 1, 2024 at 7pm—with VMC Coordinator Doug States at your favorite Gen-Airpark Pilot Lounge. And while your calendar is handy, be sure to put in a reminder for February's 3rd Saturday "Wingin' It" Breakfast on February 17 from 8-10am. After enjoying breakfast, those who want to see how Doug States is coming along with his RV-14 are welcome to mosey over to his garage (about 3 miles from the airport).

I'm trying to keep this one short because I'm a few days behind in getting it done, so the one last item to mention is that I have just submitted the Chapter 410 Ray Aviation Scholarship Application to EAA. Being selected to participate in the Ray Aviation Scholarship Program in 2023 has had a huge impact on our Chapter's ability to promote youth aviation education in the area. Our 2023 Ray Scholar, Nathan Dunker, is scheduled for a private pilot checkride in February. He's been doing a great job with his flight training so I'm looking forward to being

➤ **Chapter 410 is growing:**

We are working to continually improve our Chapter and could use a few extra minds/hands. In an effort to meet our growing needs, we are looking for members who might be interested in filling one of the following positions. Please contact Kent Johnson for details on each position.

- **Program Coordinator;**
- **Scholarship Coordinator;**
- **2nd Young Eagles Coordinator;**

➤ **January 6th Ch. 410 Social Hour/Meal, Monthly Meeting, Presentation of EAA Award Certificates and Program by Jim Ries:**

Social Hour/Meal: We had our first social hour/light meal in 2024 and it continues to be successful. It might have been cold outside but the gathering was warm and welcoming with hot soups and some sides. The turnout was good and all seemed to enjoy the food and a chance to socialize before the meeting. Below are a couple pictures:

Folks enjoying the foods and chatting with each other.

Hot soups, snacks and socializing with friends on a cold night. "Nothing better."

Presentation of EAA Award Certificates – Each year EAA provides Award Certificates and pins for Chapter Presidents to present to Chapter Officers and Chapter MVP. Kent Johnson presented certificates and pins to the individuals who were at January's meeting. A big Thank You to individuals recognized by EAA and Chapter 410 for your dedication and service to the Chapter.

Program: Jim Ries Presentation – Jim began his presentation by handing out an "Aviation Timeline" allowing us to follow his journey from obtaining his PPL (Private Pilot License) to becoming a CFI (Certified Flight Instructor) in twenty-two months.

The timeline started with Jim's first flight lesson in November 2021 and finished with his first solo flight to Carbondale in his new plane (N4570K), December 2023. During that time period, Jim purchased and sold a couple planes, and for a short time was the owner of two planes. He made several flights to places like, South Haven-MI, Gulf Shores Area-Dauphin Island, Hilton Head-SC, Nashville-TN, even the Bahamas. Jim's passion is flying and his desire is to bring the joys of flying, to others.

Below are a few photos from Jim's awesome presentation.

Attendees using the "Aviation Timeline" that goes along with Jim's presentation.
Very helpful. Thanks Jim.

EAA CHAPTER 410 Minutes - January 6, 2024

Call to Order - The meeting was called to order at 7:00 pm by President Kent Johnson. Kent welcomed new member Adam Santic.

Secretary's Report - The Board of Directors approved the November 2023 minutes at a December meeting.

Treasurer's Report - The treasurer's report for December and January was presented. Chapter renewal was paid. Doug States made a motion to accept the report. Daryl Diewechter seconded. The motion was approved.

Old Business - Great Christmas party in December. Thanks to Bob and Penny Johnson and Dion and Mary Carr for their donations. Also, thanks to everyone who attended and enjoyed the food that was shared. It was a delicious feast and social time.

New Business - The Wingin It Breakfast is scheduled for January 20. The Carr's will host. We are looking for others to host upcoming dates. We are looking to arrange shop visits with Bob Johnson and Doug States. We will keep you posted on these. Chapter will apply for another Ray Aviation Scholarship. The chapter is looking for a scholarship coordinator and a second young eagle coordinator. Kent brought to the Chapter's attention the Jane Berg Scholarship. It is a tail wheel endorsement for a female pilot. Service awards were presented. There were co MVP's awarded.

Progress Reports -

Nathan Dunker - working on Hood time-studying-working line at REV. FAA written was taken at Dubuque and he passed.

Ron Franks - went to Bowling Green and had an interesting engine discussion.

Doug States - working on RV14 wing kit-leading edge assembly for outer wing.

Gary Robertson - 750 Stoll - working on assembling fuselage

Dion Carr - flew 3 hours on Thursday-engine from TC being disassembled.

Member Activities - VMC club met last Thursday. There were 6 people in attendance. Good discussion on aviation weather website and a bounced landing scenario. The GHS Aviation Club elected student officers.

The Board of Directors approved the renewal of the Honorary Chapter memberships.

Program - Jim Reis talked about his rise from no aviation to a CFI.

Meeting adjourned at 8:51p.m.

Respectfully submitted
