Website: <https://chapters.eaa.org/ea410>

January 2024 Newsletter - 410 BLAST!

## **EAA CH. 410 JAN. MEETINGS:**

**NOTE: meetings are weather permitting!**

### **1) VMC Club Gathering:**

Thursday, Jan. 4<sup>th</sup> - 7:00pm, at  
Gen-AirPark Pilot Lounge,  
Geneseo, IL

**PROGRAM:** Doug States will cover an EAA scenario and review updates to the [www.aviationweather.gov](http://www.aviationweather.gov) website. Great discussions and Q/A session. Don't miss it!

### **2) Ch 410 Monthly Meeting:**

Saturday, Jan. 6<sup>th</sup> - 7:00pm, at Gen-AirPark Pilot Lounge, Geneseo, IL  
**Social hour/meal (hot soup & snacks) after 5:30-7 (meeting time). (\$5.00 donation suggested)**

**PROGRAM:** Jim Ries will share his aviation experiences going from zero flight time through Private, Commercial, Instrument, and CFI in less than 2 years! He will also tell us about neat trips in his Piper 235.

**Anyone interested in aviation is welcome to attend our meetings!**

Our members are aircraft builders, restorers, pilots and non-pilots, mechanics and people who just enjoy airplanes and aviation. The monthly chapter meeting typically consists of a brief business meeting followed by refreshments and a short program. The programs vary month to month. We encourage all who have an interest in aviation to join us.

## **EAA 410 WEBSITE & SOCIAL MEDIA**

- Visit our Website at: <https://chapters.eaa.org/ea410>
- Visit us on **Facebook** (Search for EAA Chapter 410)

Our Facebook page is currently a private group and although you can view the information, you must join in order to post on the page – just “request to join”.

## **CALENDAR OF EVENTS:**

### **December 31, 2023 (Sunday)**

- Deadline to submit completed EAA Ch 410 Survey. **It's important!!!**

### **January 4, 2024 (Thursday) 7:00pm**

- EAA Ch. 410 VMC gathering.  
Gen-AirPark Pilot Lounge, Geneseo, IL

### **January 6, 2024 (Saturday)**

- **EAA Ch. 410 Mthly Meeting 7pm**  
Gen-AirPark Pilot Lounge, Geneseo, IL
- Social Hour/Meal after 5:30 until start of meeting (\$5 donation suggested)

### **January 20, 2024 (Saturday)**

- **EAA Ch. 410 “WINGIN IT” breakfast (8:00 – 10:00 AM)**  
Gen-AirPark Pilot Lounge, Geneseo, IL (\$5 donation suggested)

### **January 22-26, 2024 (Mon. – Fri.)**

- EAA Homebuilders Week – online  
(See pgs 14&15 in newsletter)

### **January 26-28, 2024 (Fri – Sun)**

- **EAA's Chapter Leadership Training** (Kent Johnson, Kyle Ganson and Nick Anagnos are going) **For details, see Kent's “Notes From the President.”**  
*EAA also holds this training on other dates. (See page 16 in newsletter for other dates)*

## January 2024 Newsletter - 410 BLAST!

**2024 DUES REMINDER:** Jan. 1<sup>st</sup> is just around the corner and that means it is time to pay your 2024 Chapter 410 dues.

**BE SURE TO UPDATE YOUR MEMBERSHIP APPLICATION FORM WITH ANY CHANGES!** As mentioned in last month's newsletter, a lot of time and effort is put into the membership roster and we need to keep our records current and accurate. Please make sure we have any information changes.

**IMPORTANT NOTE: Treasurer Galen needs help figuring out why he has an extra \$10 in petty cash.** If you attended the Christmas Party at the GenAir Pilot Lounge on December 3<sup>rd</sup> and paid 2024 Dues in cash, I think I must have missed recording it for one member.

I recorded the following members who paid cash for Dues on December 3<sup>rd</sup>:

Dale Burkey, Daryl & Betty Dierwechter, Paul Irwin, Bob Dontje, Kent Johnson, Eric Elemendorf (24&25) and Greg Stopyra (25&26).

The missed recording only pertains to December 3<sup>rd</sup> and only those who paid cash, not checks. Contact me at [hatz672@gmail.com](mailto:hatz672@gmail.com) or text (815) 718-1676 if you paid that day and don't see your name. (And, no Dale, you didn't give me two ten's stuck together.)

### **EAA CHAPTER 410 ANNUAL SURVEY:**

Below is the LINK to the EAA Chapter 410 Survey. It will take about 10 minutes to complete. **If you have not already completed and submitted the survey, please do so before the December 31<sup>st</sup> deadline.**

We need at least 25% of the members to complete and submit the survey allowing Ch. 410 the opportunity to move one step closer to qualifying for an EAA Chapter Recognition Award.

January 2024 Newsletter - 410 BLAST!

---

## Notes from the President

Carol and I are wishing all of you a very Merry Christmas and a Happy and Safe New Year!!

Our Chapter 410 December Holiday Gathering filled the Gen-Airpark Pilot Lounge with great friends and outstanding food that everyone brought to share. I hope everyone enjoyed their meals and fellowship as much as we did!

The Chapter activity schedule returns to normal starting in January 2024. VMC meeting nights are on the first Thursday of the month, 7pm at Gen-AirPark with our VMC Coordinator Doug States leading the group with excellent discussions to keep us thinking about maintaining our flying proficiency. First one in 2024 is Thursday, January 4th.

Our regular monthly Chapter gatherings remain on the first Saturday of the month, 7pm at Gen-AirPark and starting in 2024 on Saturday, January 6th. If you would like a bite to eat and extra social time, come out early (5:30-6pm range) for our optional social hour. Bill of Fare for January will probably include soup and snacks. We have a good program lined up for this one. Member Jim Ries will be sharing his aviation experiences going from zero flight time through Private, Commercial, Instrument, and Certified Flight Instructor in less than 2 years! In that time he also acquired a nice Piper 235 and took some neat trips that he can tell us about. But, he's not done! Jim was a two airplane owner for a couple days recently, acquiring his second airplane, a beautiful pressurized Cessna 210, prior to selling the 235. He will tell us about that airplane as well and his plans for the future with it.

January 20 from 8am to 10am is the date and time for our 3rd Saturday "Wingin' It" breakfast at the Gen-AirPark pilot lounge! This monthly opportunity to gather for an informal fly-in/drive-in breakfast at the aerodrome has gone over well in 2023 and we plan to continue to make it available every 3rd Saturday of the month in 2024. If you would like to volunteer to host a breakfast at the pilot lounge, please contact myself or Mary or Dion Carr. The host determines the menu and obtains and prepares the food. Plates, plasticware, cups, serving utensils, etc. are all supplied. Guests commonly serve themselves and there is always extra help milling around if needed.

**January 2024 Newsletter - 410 BLAST!**

---

## **Notes from the President (cont'd) – page 2**

The end of January (26th, 27th, and 28th), presents a fantastic opportunity to learn about how to run a successful EAA Chapter. You do not have to be an officer or Board member to attend, just have a desire to learn about EAA Chapter management from the professional staff at EAA Oshkosh and by networking with other Chapter members from around the country. Nick Anagnos, Kyle Ganson, and myself are registered for the January 2024 session. Several of our friends from Chapter 75 are registered as well. EAA provides lodging at the EAA Air Academy Lodge and provides meals Friday evening through Sunday noon. Last year we were also treated to a tour of the Sonex factory on Friday evening and had access to the EAA museum including the opportunity to climb into the cockpits of three display aircraft. Both extracurricular activities were enjoyable! Please let me know soon if you would like to enjoy this all expense paid (except gas money to and from Oshkosh) opportunity and I will tell you more about it and how to reserve a space. I believe the session capacity is 50 people so don't wait long if you would like to go along!

The Chapter 410 leadership team met a couple days ago for a 2024 planning session and we have some opportunities for any of our members who would like to get a little more directly involved with the team. We would like to add a second Young Eagle Coordinator to the team to help put on at least one public Young Eagle Event in addition to the one that Chapter 75 puts on during the Gen-Air Father's Day Breakfast. I will be applying for the Chapter to administer another Ray Scholarship in 2024 and if our Chapter is selected again, I would love to have someone to be our official Scholarship Coordinator. The Chapter has a long history in providing scholarships to one or more students each year. These scholarships are intended to go to college or trade school students who are seeking aviation related training beyond high school. Covid provided a hiccup to that program but the team would like to make sure we continue to offer it in addition to the Ray Scholarship for flight training. The team would also entertain opening a Program Coordinator position if there is someone who would like to become involved in that area.

Chapter 410's Ray Aviation Scholarship Recipient, Nathan Dunker, reached another flight training milestone a couple weeks ago by passing his FAA Knowledge Exam. Congratulations Nathan! Nathan will be working with his CFI on checkride preparation during his next several hours of training in December and January.

# EAA Chapter 410

Gen-Air Park, Geneseo, IL 61254

Website: <https://chapters.eaa.org/ea410>

**January 2024 Newsletter - 410 BLAST!**

---

## **Notes from the President (cont'd) – page 3**

Nathan and I had a chance yesterday to visit with Bob Johnson at his “skunk works” airplane factory next to his home. Bob showed us his progress on his RANS S-20, including his newly completed beautiful instrument panel. As mentioned a month or two ago, I'd like to get in more shop visits this year and maybe, if he's up to it after Jan 10 knee replacement surgery, Bob would let the Wingin' It Breakfast group take a peek at his project after breakfast on January 20. Other members who would be willing to host a shop visit in the upcoming year, please let me know and we'll get it on the activity schedule.

The Chapter leadership team is working to provide interesting programs for our monthly gatherings and we are always considering ideas provided by our membership. If you have program presenters in mind that could speak on topics you are interested in, please let Dion or myself know. Also, if there is some specific subject related to flying proficiency that you would like to see discussed at a VMC program, please let Doug States know about it.

I have two parting reminders for our membership. If you haven't already completed the 2023 online EAA Chapter survey, please see the link on page 2 of this newsletter and take a few minutes to submit it before December 31. If you are a dual Chapter member in both 75 and 410 and have already submitted one for Chapter 75, please take a few minutes and complete one for Chapter 410 as well. Secondly, we want to keep this Chapter healthy with a steady or growing membership base, so if you enjoy what we are doing, learning about aviation topics, visiting with fellow aviators, or you are just generally interested in aviation, please make sure to renew your Chapter 410 membership if you haven't already done so. Just print a copy of the registration/renewal form at the end of the newsletter and mail it with your dues check to our Treasurer, Galen Johnson at the address on the form. Or you can hand it to him or myself at one of our January Gatherings. Feel free to introduce other aviation friends to the fun we have at the little grass airport in Geneseo by encouraging them to join us as well! Thank you very much for your support and again, have a very Merry Chistmas!

Happy flying safely,  
Kent Johnson

## **VMC CLUB GATHERING #21 Thursday - January 4, 2024 @ 7:00pm**

All EAA 410 members, Gen-Air Pilots and Local Aviators are welcome to attend.

### **Program:**

- I will cover an EAA scenario and review the latest updates to the [www.aviationweather.gov](http://www.aviationweather.gov) website.

As always these programs are interactive and educational with discussions and Q/A session.

Hope to see you at the Pilot Lounge and Educational Facility,  
Thursday, January 4<sup>th</sup> at 7:00pm.

Doug States,  
VMC Coordinator

## EAA CHAPTER 410 PHOTOS, PROJECTS, UPDATES:

### ➤ Chapter 410 is growing:

As we work to continually improve Chapter 410 we could use a few extra minds/hands. In an effort to meet our growing needs, we are looking for members who might be interested in filling one of the following positions:

- Program Coordinator:
- Scholarship Coordinator:
- 2nd Young Eagles Coordinator:

Please see "Notes from the President" for details about each position.

### ➤ EAA Chapter 410 Christmas Party:

The EAA Ch. 410 Christmas party held December 3<sup>rd</sup> was a great success again this year. The party was an informal Potluck at the Gen-AirPark Pilot Lounge and those attending were asked to bring a dish to share...(we have some awesome cooks/bakers in this group). The menu had everything from a turkey perfectly prepared by Bob Johnson (THANK YOU BOB!), with many traditional side dishes, as well as salads, snacks and desserts. Following are pictures of the foods and our party goers!

Counters display an array of delicious foods. The turkey and other warm foods are on the lower counter!

Some of the party goers "dishing up."  
So many food choices and everything was delicious.

## **EAA Home Builders Week: January 22, 2024 – January 26, 2024**

### ***An online opportunity to learn about building your own aircraft***

By Charlie Becker, EAA Homebuilt Community Manager

Homebuilders Week is an online opportunity to carry on the founding mission of EAA by sharing as much knowledge and information about building your own aircraft as possible in five days. We start on Monday, January 22nd, 2024, and end on Friday, January 26th, 2024. Each day, we offer six live webinars back-to-back, starting at 11:30 am central time and running every hour and a half until the last session at 7pm central. The sessions are live and allow time for questions. To sign up for the sessions, visit [www.EAA.org/HomebuildersWeek](http://www.EAA.org/HomebuildersWeek)

The topics cover a wide variety of areas of interest to anyone curious about building their own aircraft. We try to make sure there is something for everyone, whether you are just considering the idea of building an aircraft, are knee deep in a project or getting ready for test flying. We even have EAA president Jack Pelton lined up on our anniversary date, January 26<sup>th</sup>, to talk about EAA's Advocacy efforts on behalf of the homebuilt members.

EAA Homebuilders Week coincides with the anniversary of the founding of the Experimental Aircraft Association in 1953. We have come so far since that first EAA meeting. Back then, information on homebuilding was sparse and hard to come by. I know that if our founder, Paul Poberezny, was still with us, he would give us a big thumbs up for this effort to support the homebuilder.

EAA Homebuilders Week is made possible through the generous sponsorships of Aircraft Spruce & Specialty Co., Dynon, and Scheme Designers, Inc.

Visit [www.EAA.org/HomebuildersWeek](http://www.EAA.org/HomebuildersWeek) to sign up.
